Dine-Around

Welcome to the 7th Annual Dine-Around

Choose as many fun-filled Venues &
Menus as you like while also supporting
the Thousand Islands Arts Center.

Dear *Dine-Around* Guests

This year's offerings—and delivery (no print version)—may look a little different than in our first six years of *Dine-Arounds*. To say this season is a little different would be an understatement. COVID-19 has brought unprecedented hardship and challenges to the world including our little, but special Arts Center and Museum. At the time of publication, TIAC has already had to cancel March, April and May classes, its spring exhibition and Weaving History Conference. The balance of the season remains in limbo but of course we are hoping for the best as conditions improve.

All of that said, your support now, more than ever before, is needed. TIAC's future is riding on it. So, please, as you peruse this year's offerings—some new, some back by popular demand, please book a party or two! As we've all been sheltering in place over a month, as restrictions are lifted, it's a good time to gather your friends and family to be together again, in small groups, like most of these gatherings are.

Also, at this time, I would like to remember the late Linda B. Yenawine, founder of *Dine-Around* in 2014, TIAC's vice chair and dear friend; her spirit and fun-loving ways live on in every event here. I'd also like to thank this year's co-chairs, TIAC Trustee Cindy McLean and Robin Lucas. With all that was happening in the world lately, it was not the best time to recruit folks to throw parties!

Last but certainly not least, a big thank you to all of our *Dine-Around* hosts; there would be no *Dine-Around* without their generosity.

As ever, thank you for your ongoing support of the Arts Center; we look forward to welcoming you back as soon as it's safe and allowed.

Happy Dining-Around,
Leslie W. Rowland
Executive Director
